Hello Great Adventure Travelers!

I pray you are all doing fantastic and that soon we should be able to start traveling again! Hopefully you have either signed up or called to get a vaccination. I have received the first round and had no problems at all.

I am estimating that the first travel meeting will be April 1, 2021 at Golden Corral. I miss you all so much and have been remembering you in my prayers.

This time has been not only lonely but stressful. Travel reduces stress and makes us feel better. I have enclosed a new calendar with some tours for which I have availability on all listed tours. Still don't know about New Theatre, Chestnut Theatre or Quality Hill. Have New Theatre on the schedule, hopefully it is a go.

My new web site is: greattourstopeka.com and you can check out tours and brochures via the web site.

You all mean so much to me!
